More Plan Options

UnitedHealthcare offers a full portfolio of Medicare products with Medicare Advantage (MA) plans designed to fit different needs. With the largest nationwide footprint and over 100 new plans, there's even more opportunity to grow your book of business.

Exclusive UnitedHealthcare Benefits

UnitedHealthcare members have exclusive access to benefits and experiences only available through our UnitedHealth Group partners such as Renew Active, UHC Dental, UHC Hearing, UHC Vision and UHC Global.

Simple and Affordable Products

Our plans are affordable and easy to use – especially during uncertain times. Nearly all plans will have \$0 labs, \$0 virtual visits, \$0 colonoscopies and mammograms, \$0 worldwide ER and \$0 cardiac rehab in addition to broad access to \$0 primary care and \$0 premiums. Plus easier to understand dental packages from Level 1 preventive to the most comprehensive Level 5.

Robust Prescription Drug Coverage

Our MA prescription drug coverage is more comprehensive than many stand-alone Part D plans with a broad formulary of market leading brands and expansive coverage for the most commonly used generics. Watch for new bonus drug coverage on our formulary (vitamin D, B12, folic acid and Sildenafil), \$0 Rx copays on many D-SNPs and \$35 insulin on most non-SNP and chronic plans.

Medicare National Network

The nation's largest Medicare Advantage network – now with even more doctors, will be available across more plans, including many HMOs. Members can seamlessly visit any of the providers in our national network at in-network cost-sharing without the hassles of activation or limitations.

Award-Winning Support

Our member advocates deliver best-in-class customer service with one-call resolution designed to meet any member need from answering coverage questions and scheduling appointments to navigating chronic conditions. We're committed to helping our members stay healthy and making the healthcare system easier to use.

UnitedHealthcare is committed to being your Partner in Care with local market leaders, flexible training and a variety of resources to support you in growing your business. Look for innovative new policies and procedures to provide new ways to connect with consumers while social distancing. We have a team of agent managers and business development managers ready to support you.
